Custom 500 Open Face Helmet

Not retro. Original.

Throwbacks and retro lids are nice, but nothing beats an original. Back in 1954 Bell founder Roy Richter formed his first helmet out of fiberglass and named it the "500". Bell's Custom 500 pays homage to Richter's original design while adding modern protective technology to bring the design up-to-date.

- Custom-Quilted Liner
- Fiberglass Shell
- Integrated Snaps
- Padded Chin Strap with D-Ring Closure

Certification: ECE-Approved

Moto-3 Retro Dirt Bike Helmet

The iconic legend has returned! When the original Moto-3 was created back in the late 70's it was a product ahead of its time. Quickly becoming the industry standard in performance and style, today's Moto-3 is everything it was style-wise, with the added benefits of modern safety and production advancements. From the fiberglass composite shell to the EPS-lined chin bar, we left no detail unpolished. The solid colors use the original style terrycloth liner while the colab artist series graphics feature a plush micro suede liner.

- Lightweight Fiberglass Composite Shell
- Velocity Flow Ventilation™ system with FlowAdjust™
- Multi Density EPS liner
- Bell Moto-3 original styling
- 3 Shell/4 EPS sizes to ensure a more personalized fit
- EPS lined chinbar
- Removable/Washable anti-microbial terrycloth liner
- Removable/Washable micro-suede liner on colab artist series
- Secure 5 Snap Visor

Broozzer Modular Helmet

A brutal combination of attitude, style, and functionality makes the Broozzer a true streetfighter. Dual-certified for both full-face and open-face riding, the removable chin bar and integrated drop-down shield means the Broozzer is ready for anything. Combine this with the Bell fit you love and a lean fighting weight of 1350 grams, and you have yourself a ringer.

SRT Modular Helmet

The SRT-Modular combines the quality construction of the SRT – fiberglass shell, recessed EPS speaker pockets, a broad range of sizing options and class-1 Panovision optics – and adds in the versatility and convenience of a modular helmet. All the protection of a quality full-face when you need it, as well as the ease and accessibility of an open-face for when you want to face the world head-on. SRT – putting the Sport back in Sport Touring.
